several prototypes of dynamic **plasma reactors specifically designed to achieve lift and motion**

Objective

magnetic fields of different strength, where these packages were themselves nothing but area's of

Dynamic reactors

Cola bottle reactor with electrodes

Several static and dynamic working prototypes confirm the new insights related to the PME's (Plasmatic Magnetic Energy) and the Keshe co78.69 38.664ME's

Double magnetic fields rule the interaction in and between atoms, and the specific properties of molecules.

These new r j g p q o g p q p ø u can be utilized and replicated in man-made plasma reactors. Three

APPLICATIONS

Various Keshe applications

Foreword

T

planets or stars which are cylindrical or other shapes, and at the same time the system possess both Magnetic fields and gravitational fields forces. In fact through the principle of Magnetic field connection, all celestial bodies in possession of gravitational fields and Magnetic fields are spherical in shape.

At the same time the magnetosph

dat geen punt. Dan zet Keshe vier blauwe thermoskannen op tafel. Ook zit er een slangetje bij, bedoeld om als een van de kannen leeg is, om uit te ademen. Zeg ik dat zo goed? Dan is er nog een dikke band, hikkanaan dbKbik dato (g) rdeg ik dattaandeik dat ls eend (4) 3 (p) 4 (4) re () 3 bbanls e 3 (t) 4 etmn53 (ee) 3 (n)

EPILEPSY

Physical observation

These observations have been reported by the mother and doctors whom have been looking after the

dermatomal [paresthesias](#), functional bowel disturbances and [irritable bowel](#)

E-mail from I

Email received on the 2.10.2007 from the volunteer.

Dear Mr. Keshe,

My report:

Date of first contact: 25.3.2007.

1. Fybromyalgia and chronic fatigue (CVS)

Total number volunteers for initial trail 500 including section 1 and 2.

ENERGY APPLICATIONS

Ke

Energy opportunities

ELECTRICITY GENERATION

- ◁ **Power Stations** or central power plants, power farms, local and house power units and remote generators.
- ◁ **Batteries**

We do not see any reason why not, as you become your own provider and should be self-sufficient, unless you are planning to sell surplus supply to your current supplier, then you have to ask if they can accept power from you, which is matching al

They will test this unit before release in their organisation and we have agreed to this, that one unit

For our generator offer we will report to the forum what was our aim and if we reached our target before the end of the year.

The foundation will stay self sufficient and not through open source
